OKLAHOMA PUBLIC EMPLOYEES RETIREMENT SYSTEM

PERSPECTIVE “A particular attitude toward or way of regarding something; a point of view.”
per·spec·tive

noun *Perspective* isn't just an art term. It's also the way we view what we do in an effort to gain a broader understanding of our mission.

The health and stability of this retirement plan and helping Oklahoma's public employees achieve a secure and lasting retirement is what guides our actions. Each opportunity to serve our members is done with the perspective of providing comprehensive, accountable and financially sound retirement services.

We are here to help people in their pursuit of a meaningful and well-earned retirement. This viewpoint motivates each interaction we have and is fundamental to our broader vision of ensuring all members are served in a professional, efficient and courteous manner.

The Comprehensive Annual Financial Report (CAFR) is published every year to provide transparency and inform our stakeholders on the health of this retirement system. This CAFR explores our retirement perspective by highlighting our values and behaviors and how they guide the way we serve others.

This report was prepared by the staff of the Oklahoma Public Employees Retirement System.

This publication is issued by the Oklahoma Public Employees Retirement System as authorized by its Executive Director. Copies have not been printed but are available through the agency website. An electronic version of this publication has been deposited with the Publications Clearinghouse of the Oklahoma Department of Libraries.
