Annual Statements are coming!

OPERS Annual Statements for the fiscal year ended June 30, 2014, will be going out in the mail to members within the next week. As you may recall, the name and phone number of the primary Retirement Coordinator are listed on the statements, so you may receive an increase in retirement-related questions as a result of the statement mailing.

Vital Documents

In the July OPERS Alert and the Legislative Summary edition of the *Retiring Right* newsletter, we informed you about a new rule concerning vital documents. Beginning September 12, 2014, members will be required to submit vital documents (birth certificates, marriage license, divorce decree and/or death certificate) before requests for estimates can be completed.

The *Member Request* form that is used to request an estimate has recently been updated and includes instructions on providing vital documents. Please replace any current stock of the *Member Request* form you may have with the new 2014 version. You may [view and print the PDF](#) or order new forms through [Coordinator's Corner](#).

Please encourage members to submit legible copies of these documents to OPERS. The member's name and Social Security number should also be printed in the top-right corner to ensure documents are routed to the appropriate member account.

As always, please let us know if there is anything we can do to be of assistance to you. We appreciate your continued support and valued partnership.

Sincerely,

Your friends at OPERS
