

## OPERS Alert

October 14, 2014

### 2014 Retirement Coordinator Training a Success!

Thank you to our nearly 300 retirement coordinators who were able to attend one of our seven meetings in six cities across the state.

For those of you who were able to attend, we would love to get your feedback on the training. [Please take a few moments to complete the evaluation.](#) Your comments are very helpful to us as we strive to improve in every aspect of our communications with employers.

If you were unable to attend, we are sorry we missed you, but the updated coordinator manual and the presentation are available on [Coordinators Corner](#) of the OPERS website.

### Employee Address Change and Final Retirement Certification Available Online

Retirement Coordinators with a login to the OPERS online enrollment site now have the ability to change their employees' addresses and complete the Final Retirement Certification process via the secure employer website.

OPERS will begin sending an email to the authorized users of the employer website on the 5th and 10th of each month when a member from your organization needs their final retirement information certified. OPERS is still finalizing this process, but intends to begin sending emails in November.

Click [here](#) to visit the secure employer website.

As always, if there is anything we can do to be of assistance to you, please do not hesitate to call on us.

Sincerely,

*Your friends at OPERS*
