2018 Retirement Coordinator Training Concludes

Thank you to the nearly 200 retirement coordinators who were able to attend one of our seven meetings in six cities across the state.

For those of you who were able to attend, we would appreciate your feedback on the training. [Please take a few moments to complete the evaluation](#) before November 2, 2018. Your comments are very helpful to us as we strive to improve our communications with employers.

If you were unable to attend, we are sorry we missed you. The updated coordinator manual and the presentation are now available on [Coordinators Corner](#) of the OPERS website.

As always, if there is anything we can do to be of assistance to you, please do not hesitate to call on us.

Sincerely,
Your friends at OPERS
