Perspective isn't just an art term; it's also the way we view what we do in an effort to gain a broader understanding of our mission.

The health and stability of this retirement plan and helping Oklahoma's public employees achieve a secure and lasting retirement is what guides our actions. Each opportunity to serve our members is with the perspective of providing comprehensive, accountable and financially sound retirement services.

This CAFR explores our retirement perspective by highlighting our values and behaviors and how they guide the way we serve others.

We hope you find these reports informative.

Sincerely,
Joseph A. Fox
Executive Director
