PART 1. ELIGIBILITY AND PARTICIPATION - APPLICABLE TO THE 401(a) PLAN AND THE 457(b) PLAN

Summary: Enrollment dates for both the 457(b) plan and the 401(a) plan are aligned so that enrollment in both plans will begin the month following employment or reemployment, not the entry date. This conforms to HB 1376. Also clarifies that once an employee is eligible, he or she will remain eligible. States that session-only employees meet the eligibility requirements.

590:40-5-1. Participation in 401(a) plan and 457(b) plan

(a) **Eligibility.** Each Employee shall become a Participant on the ~~entry date of employment~~ first day of the month following the date of employment with an Employer for the mandatory contributions as set forth in 74 O.S. §935.5 and 590:40-5-5. Participants may participate in voluntary deferrals to the 457(b) plan set forth in 74 O.S. §935.5 and 590:40-5-6 beginning the first day of the month following the entry date of employment. An Employee shall participate in the DC System if the Employee is employed in a full-time-equivalent position or any position which is less than full-time but more than a half-time position and includes employee benefits such as health insurance and leave time. The determination of whether an Employee is in an employment position which is more than a half-time position shall be made by the Employer and such determination shall be exclusively relied upon by OPERS. Members who have been

declared eligible to participate in the DC System, but subsequently fall below the level of eligibility for a new member, shall continue to participate in the System.

(b) **Participation upon reemployment.** A former Participant or former Employee who satisfies the eligibility requirements in this section shall become a Participant ~~immediately~~ in the DC System ~~upon~~ the first day of the month following the date of reemployment.

(c) **Change in employment status.** In the event a Participant is no longer a member of an eligible class of Employees and becomes ineligible to participate in the DC System, the individual will participate immediately upon returning to an eligible class of Employees.

(d) **Previous participation in defined benefit plan.** Any employee first employed by an Employer prior to November 1, 2015, and was a participating member in OPERS defined benefit plan set forth in 74 O.S. §§ 901 et seq. shall not be a Participant in the DC System. Such employees shall participate in OPERS defined benefit plan set forth in 74 O.S. §§ 901 et seq. regardless of whether the individual maintained membership in the OPERS defined benefit plan. If an employee is first employed by an Employer on or after November 1, 2015, in a position in which the employee is eligible to participate in OPERS defined benefit plan, and such employee subsequently terminates service with such Employer and becomes employed in a position which is eligible under the DC System, the employee shall no longer participate in OPERS defined benefit plan but shall participate in the DC System.

590:40-5-6. Employee additional contributions to the 457(b) Plan.

(a) **Additional contributions; deposit of funds.** ~~In the month following employment and enrollment in the Plan,~~ Participants may contribute additional voluntary deferrals, above the ~~3~~4.5% required contribution rate, ~~in 1% increments up to a maximum combined rate, including both the required and voluntary deferrals, of 7%. Participants may not contribute at a fractional or percentage rate different from the rates set forth in this Section or in Section 935.5 of Title 74 of the Oklahoma Statutes.~~ All deferrals above the mandatory ~~3~~4.5% contribution rate shall be

considered voluntary deferrals, ~~and shall be matched by the Employer up to but not exceeding 7%.~~ Participants may contribute 7% of compensation and it shall be matched by the Employer. Participants may contribute more than 7% of compensation, but any such amount over ~~the 7% rate~~ shall not be eligible for Employer matching amounts. Voluntary deferrals shall be paid and remitted in the same manner as the mandatory contributions. All voluntary deferrals are intended to meet the requirements of Code Sections 457(b). The contribution rate selected by the Participant shall be continuous and remain in effect until a change is made by the Participant during the next option period. ~~A Participant shall be permitted to change voluntary deferrals above the 7% rate, which deferrals are not matched by the Employer, outside of the option period but not more than once per month.~~

(c) **Notice.** Any notice required under this Section means communication on forms approved by OPERS or the Recordkeeper, through the website of OPERS or the Recordkeeper, or through a dedicated telephone service of OPERS or the Recordkeeper.

(b) **Employer matching amounts.** Each Participant shall acquire a vested interest in his or her Employer contributions, including any gains or losses on such contributions, in the 401(a) plan in accordance with the following vesting schedule:

(c) **Full or partial termination.** In the event of a full or partial termination of a Plan, or a complete discontinuance of Employer contributions to the Plan, the accounts of affected Participants under the Plan shall be 100% vested and nonforfeitable to the extent required by federal law.

Summary: A year for vesting will be calculated by the passage of 365 days. The withdrawal of vested contributions will not impact the vesting schedule of a member. Language has been added to prevent the forfeiture of session-only employees after the end of each session.

590:40-5-16. Years of service for vesting; forfeiture – 401(a) plan

(a) **Full years.** Only full years of participation by the Participant with an Employer shall be counted toward vesting. (b) **Breaks in service.** For purposes of determining the vested interest of a Participant, all full years of participation, including breaks in service, shall be credited toward vesting ~~without regard to any breaks in service~~, unless there is a Termination of Service. The determination of whether a Participant has completed a full year of participation for vesting purposes shall be made by OPERS.

(c) ~~**Withdrawal – Forfeiture of contributions from Plan; forfeiture.**~~ If a Participant ~~withdraws all vested contributions in the 401(a) plan as a result of Termination of Service~~

terminates service with an Employer or otherwise becomes ineligible to participate in the 401(a) plan, the portion of Employer contributions which are not vested shall be forfeited to the 401(a) plan ninety (90) days after the Termination of Service. If a Participant ceases to be eligible under the 401(a) plan or terminates service with an Employer but does not withdraw all vested contributions, the Participant shall remain eligible to receive the portion of Employer contributions which were previously not vested if the Participant returns to employment with an Employer, continues participation in the Plan, and becomes vested in such contributions. Upon reemployment with an Employer and satisfying the eligibility requirements to become a Participant, the reemployed Participant shall receive credit for the previously vested years and days of service and be vested at the same percentage the Participant was vested when service was previously terminated. However, under no circumstances shall the Participant be entitled to any previously forfeited Employer contributions, including any gains or losses on such contributions. A person employed by the Legislative Service Bureau, State Senate or House of Representatives for the full duration of a regular legislation session shall not have the non-vested portion of his or her Employer contributions forfeited if he or she is rehired by the Legislative Service Bureau, State Senate or House of Representatives by February 1st of the following legislative session.
