

Acceptable Forms of Proof of Social Security Number

The Oklahoma Public Employees Retirement System (OPERS) accepts a number of different documents as proof of your Social Security number. A legible copy of one of the following documents is acceptable:

- Social Security card
- Medicare card
- Medicaid card
- W-2
- 1099
- Inmate intake card
- Military document
- IRS generated document
- Numident/data page generated by the Social Security Administration with the stamp or signature of a Social Security representative

The name and Social Security number on any document you submit to OPERS must reflect the information on record for the member. If different, you will be required to submit further proof of your identification.

When submitting documents, please ensure the name, Social Security number and expiration date (if applicable) is visible, which may require copying both sides of the document.

OPERS will not return submitted documents and reserves the right to reject any document the validity of which is in question.

“Any person who shall knowingly make false statements, or who shall falsify or permit to be falsified any record necessary for carrying out the intent of the Retirement System law for the purpose of committing fraud, shall be guilty of a misdemeanor, and upon conviction, shall be punished by a fine not exceeding Five Hundred Dollars (\$500) or by imprisonment for not exceeding one (1) year . . .” (74 O.S. § 924, as amended).
