SEASONS

Like the seasons of the year, people and organizations transform to improve and to be ready for the next phase. Changing seasons illustrate the undeniable transition from one stage of life to another. It is a call to alter our perspectives. Whether starting a first job, receiving a promotion, moving into retirement, or enjoying the freedom of retirement years, the changing of the seasons is a cue to reflect and plan for a rewarding financial future.

Seasons bring to mind transformation and demonstrate progress through the year. The weather shifts, the leaves turn, and life's circumstances change from year to year. This constant adjustment is a reminder to reflect on the past and look forward to the future.

Through each changing season the URSJJ always has and will continue to be a partner assisting you with your retirement goals no matter your season in life. The Comprehensive Annual Financial Report (CAFR) is an opportunity to look back on our performance over the last season and demonstrate how we are working toward a financially secure retirement system.

This report was prepared by the staff of the Oklahoma Public Employees Retirement System.

This publication is issued by the Oklahoma Public Employees Retirement System as authorized by its Executive Director. Copies have not been printed but are available through the agency website.
