Future changes can be made in accordance with plan provisions.

PARTICIPATION AGREEMENT

Withdrawal restrictions – I understand the Internal Revenue Code and/or the plan documents may impose restrictions on transfers and/or distributions.

Investment options – I understand contributions to my 457 account and/or my 401(a) account will be invested in the default investment option selected by the Plan, unless I designate another available investment option(s) by accessing my account online or over the telephone. The default investment option is Vanguard Balanced Index Fund - Admiral. At my option, I may move the contributions to another available investment option(s) within the SoonerSave plan by accessing my account online or over the telephone. If at a later date I elect to designate an investment option(s) other than the default investment option, I understand all contributions received after my election will be applied to the investment option(s) I selected, however the Plan may not be required to invest deferred funds pursuant to plan provisions.

Value of account(s) – I understand and acknowledge all payments and account values, when based on the experience of the investment options, may not be guaranteed and may fluctuate, and, upon redemption, shares may be worth more or less than their original cost. I understand and acknowledge that the State can return to me only the value of my account which will depend on the investment option(s) I have selected and its performance.

Beneficiary designations – In the event I do not submit to the recordkeeper a complete and acceptable beneficiary designation either through the website or by using the *Beneficiary Designation* form, upon my death distributions from both accounts will be made in accordance with plan rules.

The beneficiary designation I specify for my 457 account will apply to my 401(a) account, if I do not submit to the recordkeeper a complete and acceptable beneficiary designation for my 401(a) account. However, if I do not submit to the recordkeeper a complete and acceptable beneficiary designation for either the 457 account or both accounts, then upon my death distributions from both accounts will be made in accordance with plan rules.

My current beneficiary designation supersedes all prior beneficiary designations and is effective upon its execution, delivery to, and acceptance by the recordkeeper. The right to change the beneficiary of my accounts is reserved to me. I understand beneficiaries are to share equally if percentages are not provided and any unpaid amounts upon my death will be divided equally. If my primary and contingent beneficiaries for both accounts predecease me and if I fail to designate a new beneficiary, upon my death distributions from both accounts will be made to the default beneficiary as provided by the plan documents.

Compliance with the Internal Revenue Code – I understand the maximum annual limit on contributions is determined under the plan documents and/or the Internal Revenue Code. I understand it is my responsibility to monitor the total annual contributions to ensure I do not exceed the amount permitted. If I exceed the contribution limit, I assume sole liability for any tax, penalty, or costs that may be incurred.

Plan charges – I understand charges and fees may apply under the SoonerSave plan and may be deducted from my account(s).

Plan documents/Investment options information – I hereby acknowledge that a copy of the plan documents has been made available to me and I agree to the rules, terms, and conditions. I also acknowledge that investment option information, including prospectuses, disclosure documents and fund profile sheets have been made available to me and I understand the risks of investing.

Verifying confirmations/statements – I understand it is my obligation to review my confirmations and quarterly statements and inform the Plan and/or recordkeeper of any discrepancies or errors within 90 calendar days of the date of such confirmation or statement.

Release of liability – I understand participation in the 457 Deferred Compensation Plan is voluntary and the SoonerSave plans are a benefit offered by the State of Oklahoma. In return for this benefit, I and my heirs, successors, and assignees shall hold harmless the State and its employees, officials, agents, and successors from any and all liability for all acts of good faith.
