

Account Access Quick Reference Guide

Your Plan offers you easy ways to manage your account so you can access your information and make changes anywhere, anytime. This guide shows you how.

HOW TO ACCESS YOUR ACCOUNT ONLINE AT WWW.SOONERSAVE.COM

To access your account online for the first time, go to www.soonersave.com.

1. Click on the *REGISTER* button and, on the next secure page, enter the required information to continue.
2. Select *I do not have a PIN* or *I have a PIN*, then follow the remaining steps to create a username and password.

Use your new username and password going forward. Note: For added security, you will be prompted at login to receive an access code via email or text whenever you use an unrecognized device.

What if I still can't log in?

If your contact information has changed and doesn't match the system, you will not be able to complete the login process or recover your username or password. Please call the voice response system at (877) 538-3457 and ask to speak with a representative to verify and/or update your information.

HOW TO NAVIGATE THE WEBSITE

Once logged in to your account, you can get your Lifetime Income ScoreSM, see how you compare to peers and view next steps that may help you reach your retirement goals. Quickly and easily see how much you've saved, and more. Simply log in to your account to:

- 1 View your estimated monthly retirement income and see if your future savings are on track.
- 2 Move the sliders to model different savings scenarios and make changes to your account. Enter *Other Assets* like a pension or IRA for a more realistic score.
- 3 Click on your Plan name to view account balances, view statements, change your investments or contribution rate, and much more.
- 4 Access your personal profile to update contact information, beneficiaries and communication preferences.
