Withholding Preference Certificate
Oklahoma State Income Tax

515-1510K-22
21

State law requires the Oklahoma Public Employees Retirement System (OPERS) to withhold income tax from your benefit payment. OPERS will automatically withhold state income tax if your benefit is large enough to require withholdings. **If you do not file a withholding preference, OPERS is required by law to assume you are married and claiming three allowances for state income taxes.** Federal income tax withholding preferences can be filed using Form W-4P available at www.opers.ok.gov/forms.

You have the right to change your withholding at any time by completing and submitting a new withholding form. You can review tax withholding tables by visiting www.opers.ok.gov/taxes. Please type or print in ink the information on this form and submit the form to OPERS. Forms received after the 5th day of the month will be processed in the following month.
